

Freshman Campus Testing Edition

As we continue to phase in the Next Generation Assessments for Ohio, we will be testing students during the months of March and April. This e-mail provides all the details regarding upcoming test dates and changes to bell schedules at the Freshman Campus.

Every effort has been made to develop schedules that maximize instructional time while providing a targeted test environment for students to focus on these tests, needed for graduation.

Please take time to thoroughly review this information and contact us with questions you may have regarding the upcoming tests.

End of course assessments will be given to students currently enrolled in the following courses at East Freshman Campus:

- English 9/Honors English 9
- Algebra I
- Geometry/Honors Geometry
- Honors Biology
- Honors US History

Your student has faced a rigorous course of study throughout this school year which have prepared them for these assessments. We have no doubt our students will do a great job and will put forth their best efforts on these important assessments.

As parents, please help support our students by providing them with positive thoughts, ensuring they get a good night's sleep and making sure they eat a well balanced breakfast each morning. We know working together our students will succeed!
