

Dear Parents & Families of LEHS Class of 2021,

Congratulations and welcome to your student's long awaited year as a Lakota East High School Senior! You and your student have come a long way, and this promises to be an important, busy & exciting year. Together we will establish clear expectations for Seniors to work hard, complete all graduation requirements, and utilize all available learning experiences during their last year of High School, but most importantly create memories that they can cherish for the rest of their lives. I know this year looks different as we experience this pandemic, however, it is our full intention to provide as much normalcy as we can and have a Senior year full of great memories and experiences that are Covid safe.

Preparations are already being made for upcoming events and activities for the class of 2021. As we develop and create these opportunities to celebrate and acknowledge our Seniors, we will keep you updated. Below you will find a couple of upcoming events for Seniors as we start this new school year.

Senior year will flash before your eyes! We will all be here to support and provide guidance in any way we can.

Congratulations again!

Dr. Yejide Mack  
Principal

Although we might not be celebrating in our traditional ways this year, we still are honoring our spirit week tradition. Below you will find the themes for each day next week. We encourage all of our Thunderhawk family to participate in the fun!
